Questions for week 4

Did you enjoy studying history in school? Why? / Why not?

If you could study any aspect of history in detail, what would you like to know more about and why?

What historical event do you think has had an impact on your life as it is now?

Think of a historical figure who you find interesting and who you know something about. Tell us about him/her.

Are there historical periods that attract more interest than others? Why do you think that is?

To what extent do movies which deal with certain past events/historical figures help shape our understanding of history?
